All fittings are by appointment only.

While the online scheduler makes it easy to keep the event organized and running smoothly, it also helps to keep everyone safe in this time of Covid-19 by making all fittings a 1 on 1 experience. Attached is a PDF that details the safety protocols that will be adhered to for all fittings, including:

- Following appropriate CDC guidelines.
- Maintaining proper social distance and using masks and gloves.
- All fitting clubs and components being cleaned before/after every customer.

Having hand sanitizer available for every fitting.

Please look over our safety measures and let me know if there are any questions or if your facility has additional procedures that we should be aware of.

Thanks again for your support of Callaway and Odyssey Golf and we look forward to a fun, successful event!
